## Moabite Curse

*Redemptive Gift: Servant*

*Legitimacy Lie: I am legitimate when my kids (spiritual or physical) are successful*

*Color of God's Love: God loves me even when I fail as a parent or leader*

Father Yahweh, I proclaim that You are the God of seasons. There is a season for nurture and there is a season to be the nurturer. There is a season for childhood; there is a season for adulthood. Father, I rejoice in the authority that You have given to parents and to others in positions of leadership.

However, I proclaim that You have also given responsibility to those who are in authority. I proclaim that the proper order of life is for those in authority to build a platform for success for those under their authority and to release them at the proper time.

Father, I come boldly before your throne of grace and I ask that You would open the books in every single branch of my family line and identify every event where there was an authority in our family line or over our family line that failed to provide open borders for those under them, especially the controlling spirit based on fear of failure. I proclaim that this is contrary to Your design. I also ask You to identify every instance where I or somebody in my family line under authority chose to embrace family peace at the expense of possessing his or her birthright. I repent, renounce, and reject this sin.

I ask you to identify every person who came into agreement with wrong treatment or violation of boundaries. I call that sin, and I repent, reject and renounce it. I ask You to identify every incident where someone took their freedom wrongly in order to possess their birthright and I call that sin. I ask You to cover these sins with the blood of the Lord Yeshua Ha Mashiach. I acknowledge that it was just and right for the Moabite Curse and the Strongmen of Fear and Perverse Spirit to be in my family line because people violated Your law. Your Word is clear on these matters. But I rejoice that the righteous law of liberty is greater than the law of sin and death. Therefore, I stand today in the cleansing by the blood of the lamb and by the washing of Your Word, and in accordance to your Word in Matthew 18:18 and 12:29, I bind up and command every devouring spirit, the spirit of fear and the perverse spirit that was empowered by these sins to leave my spirit, soul, body, my birthright, my spouse, and my family to a thousand generations and go to the feet of Yeshua.

I loose Yahweh's spirit of pureness and holiness to fill the vacated place in my spirit, soul, and body and I loose the spirit of love and sound mind to fill the vacated place of fear. I choose to have healthy spiritual and physical boundaries. I choose Life!

Father Yahweh, as the Righteous Judge of the Universe, I ask You to enforce these righteous decrees. I ask You Father to enlarge my boundaries, to give me freedom of movement to accomplish everything You have designed me to accomplish.

I ask You now, in accordance with Your Word, that You release to me all physical and spiritual blessings that have been held back by the Moabite curse, and give me wisdom in sowing good seed for the future. I ask you to heal the land that has been defiled and I ask you to redeem time that has been taken as a result of this curse. I thank You by faith and in advance, in the name of my Lord Yeshua HaMashiach. Amen.
